Dear ISWI Participant:

The ISWI Newsletter will be closed from Sept 9 to 23 as I will be in Africa for field work.

I was asked to circulate the following information between + and & :

+

Subject: TCD "Rosse Observatory" development

Our Callisto solar radio antenna is now installed in TCD's "Rosse Observatory" in Birr Castle Demesne.

See photos at <http://callistotcd.blogspot.com/>

Initial inspection of the data is very encouraging, but more testing to be done. A nice big solar radio burst would also help ...
