

**This info circulated in
Volume 2, Number 50**

The other document attached to this newsletter is a non-modifiable pdf issued by the *Space Weather Enterprise Forum*, which was convened in Washington DC on 8 June 2010.

ISWI Newsletter Editor, 25 June 2010.

Notes:

Page 22 (as printed on the page) is about:

Dr Joe Davila, a Director of ISWI

Page 23 (as printed on the page) is about:

Dr Hans Haubold, another Director of ISWI; represents the UN for ISWI.

(Note: the text on this page contains an error about the Newsletter and Website for ISWI. The correct fact is: *The ISWI Newsletter* is being done by Japan and the *ISWI Website* is being done by Bulgaria.)
