

ISWI_Logo

ISWI_Logo_noText1

ISWI_Logo_noText2

These are the three logo designs attached to ISWI Newsletter Volume 2, Number 39.

The first one is the official ISWI logo.

The other two have some text removed so that you may customize it for your national needs.

The high-resolution pdf of each design is attached to this issue. But each pdf is over 6 MB in size -- be careful.
