Final Announcement

Centre for Atmospheric Research of the Nigerian National Space Research and Development Agency shall be hosting the first annual conference of the Geophysical Society AGS.

The Society is a dynamic, innovative, and interdisciplinary scientific association committed to the pursuit of understanding of Earth and Space for the benefit of mankind.

Dates: 2nd -6th June 2014,

Venue: National Space Research and Development Agency, Km 17 Umaru Musa Y'Ardua Expressway, ABUJA, Nigeria

The following scientific sessions are available:

- 001: Fundamentals of ionospheric Dynamics
- 002: Global Navigation Satellite Systems GNSS applications, Science and Technology
- 003: Equatorial ionosphere
- 004: Space weather
- 005: VarSITI: SCOSTEP scientific activity
- 006: Near Equatorial Orbits for Satellite Technology
- 007: Solid Earth Science (geology, geodesy, geophysics, geochemistry, biogeosciences);
- 008: Atmospheric Science (Small scale and local wind systems, air pollution, mesoscale processes, global wind systems, cyclones, weather forecasting, atmospheric chemistry, global climate and its change, meteorology);
- 009: Ocean Science (Estuarine and costal oceanography, ocean circulation, marine biogeochemistry, paleoceanography, marine geology, and atmosphere-ocean coupling);
- 010: Astronomy and Planetary Science (interior, surface, magnetosphere, ionosphere, and upper atmosphere of solar system bodies other than earth, cosmology);
- 011: Solar and Terrestrial (sun, interplanetary medium, heliosphere, the magnetosphere, ionosphere, and upper atmosphere of planet earth)
- 012: Hydrological Science (Hydrometeorology, Surface Water Hydrology, Ground Water Hydrology, Water Resources Planning and Management, Hydro-informatics)
- 013: Coupled Solar Wind-Magnetosphere-Ionosphere-Thermosphere System

Abstract submission deadline (extended): ~~15 March 2014~~, 20th April 2014

We request that you prepare the abstract(s) using the MS-Word and then be converted to PDF format. The total length of the abstract should not exceed 1 page. Authors can include color figures on the abstract. Please try to avoid a lot of empty space on the page.

The file name of the abstract should be Surname_Firstname_AGS2014a.pdf, where "Surname" and "Firstname" should be first author's surname and first name, respectively. Each person can submit no more than two abstracts as a first author, besides invited/tutorial presentations. The file name of the second abstract should be Surname_Firstname_AGS2014b.pdf. If authors have a problem with file conversion from Word to PDF, authors can submit the abstract in Word format.

The abstract should be submitted as an email attachment to secretariat@afgps.org, with "AGS2014 abstract submission" as the email subject. The email should include the following information:
