Dear ISWI Participant:

The attached message from KASI refers to ISWI Newsletter Volume 4, Number 12, of 10 February 2012. You can access it through the ISWI website mentioned above. The essence of the message is that the abstract dead-line has been extended.

People living in Japan know that right now is the most beautiful time of the year; I attach some photos of Fukuoka that were taken about 24 hours ago. Sakura is in full bloom right now.

Most faithfully yours,
