: RBSP 2012 – Part 5 (Final)
: International Conference on Radiation Belts
: and Space Weather, Daejeon, Korea.

Dear ISWI Participant:

The organizers of this conference have released the following document.
It is quite good:
http://rbsp2012.kasi.re.kr/newsletter/thanks_letter.html

It is basically a Thank You Letter --- but it has much more. You can
download most of the presentation files from this conference.
You can also view lots of photos from this conference. So please
check it out.

By the way, today is the Abstract Dead Line for the AGU Chapman Conference
in Ethiopia in November. See ISWI Newsletter, Vol. 4, No. 64, for
details. I will present a talk at this conference on MAGDAS and
other magnetometer arrays in Africa.

Most respectfully yours,
: George Maeda
