

This pdf circulated in Volume 4, Number 89, on 10 August 2012.

Main page of the ISWI website (www.iswi-secretariat.org)

A screenshot of the ISWI website's main page. The page features a navigation menu with tabs for "About", "Organization", "Projects", "Meetings", "Publications", and "News&Blogs". A dropdown menu is open under the "Projects" tab, listing several options: "Instrument Projects", "Instrument Leaders", "ISWI instrument distribution", "ISWI instrument Web-sites", "Participating Countries", "ISWI Space Science Training", "Societal Impacts Workshop" (which is checked with a red mark), "CSSTE Training", and "Gift Workshops". A red arrow points from the "Societal Impacts Workshop" menu item to a red-bordered text box on the right. The text box contains information about a workshop held at COPUOS in Vienna in June 2012. The website's header includes the ISWI logo, the text "International Space Weather Initiative", and a visitor counter showing 8,243 visitors. The footer contains a URL: http://www.stil.bas.bg/ISWI/SocImp/SocImpact_1.html.

Click here for information on "Space Weather Societal Impacts Workshop and Seminar at the COPUOS" Vienna, 8 June 2012 held on the margins of the 55th Meeting of the United Nations Committee on the Peaceful Uses of Outer Space (COPUOS)
