: Re:
: Preliminary Announcement:
: ISWI School in the Asia Pacific Region,
: Bandung, Indonesia.

Dear ISWI Participant:

I have been asked (by the ISWI Secretariat) to broadcast this news (between the + and &) :

+
Nat Gopalswamy from ISWI Secretariat held discussions with Dr. Clara Y. Yatini (Head of Space Science Center, LAPAN, Indonesia) on the 2012 ISWI Space Science School to be held in Bandung, Indonesia. Dr. Thomas Djamaluddin of LAPAN (one of the ISWI National Coordinators of Indonesia) had initiated the request for an ISWI School and is now becoming reality. LAPAN is the Indonesian Institute of Aviation and Space Agency and will host the school. Details of the school will be announced soon.

&

So, ladies and gents, stay tuned for these details. They will be posted on this newsletter, of course.

Respectfully yours from Sun-drenched Fukuoka,
: George Maeda
